Paul Davis Restoration serves as ticket location for Jacksonville Miracle League fundraiser

Jacksonville, Fla. – August 10, 2011 – [Paul Davis Restoration of North Florida](#) will serve as a ticket location for an upcoming event with the Jacksonville Firefighters Association IAFF Local 122. The organizations are working together to raise funds to build a much needed storage facility at the Jacksonville Miracle League ballpark. Paul Davis office staff and volunteers, and firefighters will donate their time and services to build a 300 square foot storage unit for the Miracle League at McGirts Creek Regional Park, 8435 118th Street in Jacksonville.

Tickets sales will help to fund the project during a Firehouse Dinner on August 27 at 6:00 pm, Firefighters Association IAFF Local 122 banquet hall, 618 Stockton Street in Jacksonville. Tickets are \$35 per person; \$300 for table of 10 and may be purchased at the Paul Davis office, 5795 Mining Terrace in Jacksonville or online at www.pdrestorationnf.com. For more information, call 904.739.6047.

Jacksonville Miracle League provides opportunities for children and adults with disabilities to play baseball, regardless of their abilities. The non-profit organization is a 501(c)(3) tax exempt 509(a)(1) public charity. Visit the website at www.jacksonvillemiracleleague.org.

The storage building project is scheduled to begin in September as part of the Paul Davis Restoring America program —an annual property improvement initiative to help those in need in local neighborhoods. According to Marguerite Mumford, Paul Davis office owner, the community service project will include the donation of initial plans, engineering and design work, labor and inspections. Construction materials will be underwritten by the fundraiser for cement, block, roofing, paint, smoke alarms, lights, fans, doors, windows and overhead doors, to name a few. Mumford estimates the total value of donated repairs to exceed \$25,000. View the You Tube video announcing the project at <http://bit.ly/l8mDKJ>.

“We encourage the community to join us at the event on August 27. Our local firefighters are dedicating their time on this project to help improve the lives of many local young people who participate in Miracle League activities,” said Mumford. “We are honored to be designing and building the storage shed for the youth organization which will house equipment and materials for the convenience of the participating families and children,” she said.

The Mumfords also welcome local volunteers who wish to help with the project including students who require proof of hours in a community service project. Lunch and refreshments will be served to all volunteers during the work efforts. About Jacksonville Miracle League:

Jacksonville Miracle League provides opportunities for children and adults with disabilities to play baseball, regardless of their abilities. The non-profit organization is a 501(c)(3) tax exempt 509(a)(1) public charity. Beginning in 2003, the Westside Rotary Club of Jacksonville formed the Rotary Miracle League Fund, Inc., a 501 (c)(3) organization. The organization raised the funds necessary to build a special Field of Dreams which met the unique needs of the Miracle League players. The City of Jacksonville sectioned off unused land at Jacksonville's 90 acre McGirts Creek Regional Park to build the unique field. Also playing at the regional park was one of Jacksonville's best and oldest youth associations, West Duval Youth Association. West Duval Youth Association was given the task of forming the Jacksonville Miracle League. Visit the website at www.jacksonvillemiracleleague.org.
