### **Paul Davis Restoration Denver West's holiday toy drive with The Action Center is a huge success - More than 5,100 toys cleaned and distributed to those in need -**

Denver, CO – Dec. 23, 2011 - The 1<sup>st</sup> Stuffed Animal Toy Drive with Paul Davis Denver West and The Action Center was a big success, according to Greg Makowski, owner of the local Paul Davis Denver West office. More than 5,100 stuffed animals were collected by The Action Center and Paul Davis Denver West and cleaned by Paul Davis Denver West before the toys were distributed at The Action Center's Santa Shop.

The Action Center and Paul Davis Denver West teamed up for the 2011 holiday season to collect used and new stuffed animals for the Santa Shop. Using the new and revolutionary Esporta Wash System, Paul Davis Restoration Denver West restored to near-new condition the donated stuffed animals. Instead of throwing the older, donated toys away - many of the stuffed animals were rejuvenated and served as cherished gifts to those less fortunate.

The Action Center's Santa Shop is a local facility where struggling Jefferson county parents can come to "shop" free of cost for toys to give to their children over the holidays – toys that they would have otherwise not have been able to afford. The Action Center has served over 5,000 children this holiday season. The center is located at 8755 W. 14th Avenue in Lakewood.

"We thank everyone who helped to make this drive so successful," said Makowski. "Paul Davis is honored to serve the community with assistance during this joyous time of year," he said.
