Paul Davis names Matt Taylor as project manager for the Upstate restoration company

Greer, SC – April 14, 2011 – Matt Taylor has been named as Project Manager for [Paul Davis Restoration and Remodeling of the Upstate](#). Taylor will be responsible for estimating and overseeing jobs in restoration, emergency mitigation, and clean up along with the reconstruction of property damages from water, fire, smoke, vandalism, and mold insurance claim losses. He will provide project management services for customers in Greenville, Spartanburg, Anderson and Clemson service areas.

“We are proud to have Matt join our team. Our customers can rely on him to provide the latest technologies and procedures in water, fire, smoke, vandalism, and mold damage,” said Dan Driscoll, Paul Davis office owner.

Previously, Taylor served as a property claims adjuster for a national insurance company. He also held positions in customer service, sales and management. Taylor holds a B.A. degree in Political Science from Clemson University in Clemson, SC.

Since 1989, the Paul Davis office has expanded its network of professional technicians and services across the entire Upstate region of South Carolina. The company also opened a Paul Davis Emergency Services office in Cashiers and Highlands, NC. Paul Davis works on small to large jobs in restoration and remodeling, emergency response, water and fire damage restoration, contents restoration and mold removal for residential and commercial properties.
