Paul Davis Restoration provides emergency services for document management solutions firm

Charlotte, NC – November 12, 2010 – Scott Bailey, [Paul Davis Restoration](http://www.pdr-usa.net) office owner, has announced that his company will provide emergency services for Virtual Image Technology, a document management solutions company at 9415 Pioneer Avenue, Suite 200 in Charlotte. According to Bailey, Paul Davis has a contract to provide emergency mitigation, clean-up and restoration at the site from wind, water, and fire damage, or other natural disasters. The Paul Davis office will maintain important information about Virtual Image Technology's office, storage and operational areas for quick response.

According to Marc McQueen, Virtual Image Technology partner, the company is proactive in its approach to disaster recovery. "We are pleased to be working with Paul Davis. The restoration company will help us to provide business continuation for our customers who require immediate access to their records at any time," McQueen said. For more than 30 years, Virtual Image Technology has provided conversion, imaging, archiving and storage of critical data and media preservation. The 48,000 square foot production and storage facility features a secure environment, climate controlled storage, and fire prevention and suppression systems.

"Paul Davis Restoration believes in the importance of partnering with property owners and businesses to ensure that quick and efficient response is always available," said Bailey. "Our staff of technicians are trained in Institute of Inspection, Cleaning and Restoration Certification (IICRC) standards for cleaning and disaster restoration, so we're prepared to meet all types of structural losses," he said. "We are pleased to be working with Marc and his team and will provide exceptional customer service."

Bailey has owned the Paul Davis office since 2007. The office is located at 2205-A Distribution Center Drive in Charlotte. For more information, call (704) 399-2488 or visit the website at www.pdrestitutionofcharlotte.com.

###

All Paul Davis Restoration offices provide emergency services for properties that have been damaged by water, mold, fire or vandalism. Paul Davis owners and technicians are trained in Institute of Inspection, Cleaning and Restoration Certification (IICRC) standards for inspection, cleaning and disaster restoration. IICRC is a non-profit certifying body which includes expertise in the flooring inspection, floor covering, fabric cleaning, and disaster restoration industry of fire and water.
