Paul Davis Restoration of Central Michigan names Mike Bellor as estimator and project manager

Midland, Michigan – October 21, 2011 - [Paul Davis Restoration](#) has recently named Mike Bellor as Estimator and Project Manager. Bellor will be responsible for estimating and overseeing jobs in restoration and reconstruction of residential and commercial property damages from water, fire, smoke, vandalism, and mold insurance claim losses.

“We are proud to have Mike join our team at Paul Davis. He is now a member of the industry’s most highly-trained professionals in restoration, repairs, reconstruction and emergency services,” said Jason Arsenault, Paul Davis’ Vice President. “Our customers can rely on Mike and all of our staff to provide the latest technologies and procedures in water, fire, smoke, vandalism, and mold damage,” he said.

Bellor is a licensed general contractor in Michigan and has more than 16 years of construction, restoration and supervisory experience in the field. He holds a bachelor’s of arts degree in finance and accounting from Saginaw Valley State University. Bellor is certified by the EPA as a lead paint renovator. He also served in the U.S. Air Force. Bellor has volunteered his services for projects with Habitat for Humanity. He was also a construction volunteer during missionary work in South America and Africa. He resides in Bay City.

Bellor’s office is located at Paul Davis Restoration, 2677 North Eastman Rd, in Midland. The office serves customers in Bay City, Midland, Mt. Pleasant and the surrounding areas. For more information, call 989.486.3456 or visit the website at www.pauldavismi.com.
