Paul Davis Emergency Services opens for business in Wichita, KS

Wichita, KS – September 20, 2011 – Jill Skaggs and Jeff Keeny, owners of [Paul Davis Emergency Services of East Wichita, KS](#), have opened their new franchise business at 425 Courtleigh in Wichita.

Paul Davis Emergency Services specializes in rapid emergency mitigation services including board-ups, water and fire response, and mold removal. Services are available 24 hours a day with an emergency on-site arrival time within two hours throughout Wichita and the surrounding communities.

The new owners bring business experience and project management skills to the company through their education and a combined work history of more than 50 years. They reside in Wichita.

Specifically, Skaggs worked as a professional in restaurant management and operations and also in real estate project management. She also served as a manager in human resources, training and customer service. Skaggs holds a Bachelor of Business Administration degree in Human Resource Management from Wichita State University in Wichita, KS. She also holds a Master of Arts degree in Organizational Management from the University of Phoenix.

Keeny served as a national customer service and sales professional for electrical contractors and power tool brands. He was also responsible for overseeing government contracts, sales proposals and quality control in these industries. Keeny holds a Bachelor of Science degree in Geology from the University of Kansas in Lawrence, KS. He also holds a Bachelor of Business Science degree in Finance and a Management Training Certificate from the Center of Management Development at Wichita State University in Wichita. He is trained in public speaking and human relations with Dale Carnegie and served as a graduate assistant at the Dale Carnegie Institute in Wichita.

Skaggs and Keeny are certified from the Institute of Inspection, Cleaning, Restoration and Certification (IICRC) in Applied Structural Drying (ASD), fire and smoke damage restoration, and water damage restoration. Skaggs is certified by the EPA for lead safety for Renovation, Repair, and Painting (RRP).

“Paul Davis Emergency Services is committed to being part of the community and will provide a needed service in our area,” said Skaggs. “We confidently approach each project with quality, respect, and professionalism. Every job is both a great honor and great responsibility,” she said. “Fire, water, mold, and other forms of property damage are serious issues, and we have the skills and equipment to properly handle each job as highly-trained professionals in the restoration field,” stated Keeny.
