Paul Davis Restoration and Remodeling top rated for customer service and job performance in 2010

Cranford, NJ – Jan. 27, 2011 – [Paul Davis Restoration and Remodeling](#) of Union and Essex Counties' customers have rated the level of service provided by the restoration and remodeling company at the top of the ranking scale for satisfaction in 2010, as surveyed and recorded by Net Promoter® Score (NPS). The office has served customers in the region since 2002 and is located at 331 Centennial Avenue in Cranford.

According to Patrick Wildridge, Paul Davis Restoration and Remodeling office owner, his company received the highest average cumulative scores coming in as first and second place in his district among offices that had a minimum of 140 surveys completed. Wildridge' office is located in Paul Davis' District 6 which includes franchises in New Jersey, Pennsylvania, Delaware, Maryland and Virginia. Specifically, Wildridge scored in the top spot with an NPS score of 9.15 on a scale of 10 among the surveys completed. Additionally, the local office was ranked as second in the NPS rating system throughout the entire Paul Davis network nationwide. In 2009, Wildridge and his team also ranked at the top in the survey results. Specifically, the scores rank the organization for job details, customer service and quality of work.

The Paul Davis office owned by Kevin Lethers serving Polk, Highlands and Hardee counties in central Florida, was ranked as the top office in the country according to the NPS rating system with a 9.2 in 155 customer surveys completed. The office has served customers in central Florida since 1972 and is based in Winter Haven.

The NPS rating system is utilized by Paul Davis Restoration franchise offices nationwide and is based on a customer satisfaction indicator system developed by Fred Reichheld, a nationally-acclaimed author and Director Emeritus of global business consulting firm Bain & Company. Businesses using this measurement method are united by a common conviction that delivering exceptional customer experience is the best way to grow a business. See www.netpromoter.com

“We are very proud to again receive outstanding customer satisfaction scores. Our goal continues to be focused on delivering exceptional service,” said Wildridge. “Paul Davis follows strict company and professional procedures and we believe that NPS is the premier discipline by which companies profitably grow by focusing on their customers,” he said.

Since 2006, Paul Davis Restoration offices have been equipped with a rigorous measurement tool for calculating customer satisfaction and to unlock the door to extraordinary service. The NPS program offers knowledge, tools, practices, and solutions for any business. Paul Davis Restoration was the first in the insurance restoration industry to implement the program.

Wildridge and his staff of certified technicians and highly-skilled professionals are trained to understand the stressful work environment involved with handling insurance claims. The company provides the highest level of service available throughout the process of residential and business claims, restoration and repair, as well as remodeling services.

Paul Davis Restoration and Remodeling of Union and Essex Counties specializes in providing emergency services for properties that have been damaged by water, mold, fire or vandalism. All Paul Davis owners and technicians are trained in Institute of Inspection, Cleaning and Restoration Certification (IICRC) standards for inspection, cleaning and disaster restoration. IICRC is a non-profit certifying body which includes expertise in the flooring inspection, floor covering, fabric cleaning, and disaster restoration industry of fire and water.
