wins regional NARI CotY and remodeler awards for 2009**

Milwaukee, WI --- The National Association of the Remodeling Industry (NARI) has named Paul Davis Restoration and Remodeling of Southeast Wisconsin as the 2009 Regional Contractor of the Year (CotY) in north central WI for Residential Kitchens Over \$100,000. The CotY award-winning kitchen project was completed at a custom residence.

The restoration and remodeling company also won NARI's Wisconsin Remodelers Awards with a silver award for commercial interior renovations at West Allis Cheese & Sausage Shoppe and bronze awards in the disaster restoration, fire category for restoration work at a private residence and in the kitchen restoration category for a custom kitchen over \$100,000. All awards were presented for Paul Davis projects in the Milwaukee area.

Paul Davis Restoration and Remodeling of Southeast Wisconsin is a member of the NARI Milwaukee, WI Chapter.

According Dan Druml, Paul Davis Restoration and Remodeling of Southeast Wisconsin president and owner, the remodeling awards are presented to contractors from NARI chapters throughout the U.S. All regional winners are eligible for National CotY Awards to be presented in Atlanta, GA on March 28. Projects submitted for judging were for an improvement or an addition to an existing structure, with the exception of one category, *Residential Exterior Specialty*. Otherwise, new construction projects were not eligible and projects were not submitted in prior NARI national contests.

“We are honored to accept the regional awards by an impartial panel of judges who are experts within the industry and associated fields,” said Druml. “The projects were submitted with before-and-after photography and project descriptions. Awards were based on problem solving, functionality, aesthetics, craftsmanship, innovation, degree of difficulty, and entry presentation,” said Druml. “We’d like to thank our employees who deserve the credit including our sales team, project managers and estimators. These key individuals are responsible for the success of many beautiful, award-winning restorations in Milwaukee,” he said.
